

Serveware Package

We are pleased to be offering a Serveware package to all of our couples. The package can be added on at any time after your booking has been completed up until 30 days prior to your wedding date. The rate is \$399 plus tax & will be added to your invoice for final payment. My goal is to have classic items as well as trends for the current year. If you decide that you would like to add on the package you will have access to everything in the current inventory. I will be acquiring items throughout the year and updating the catalog as required so check back frequently. Also, if there is something you love please feel free to share with me in case it's something that would be a good item to add to the inventory. LAST UPDATE 5/30/23

Happy Wedding Planning!

Please note that due to the nature of rentals some items may be come unavailable but every effort will be made to replace with the same/similar item.
